Certification Agreement

The organization listed on the front of this Application for Certification (the "Applicant") agrees to disclose information pertaining to the certification testing completed by their organization and will perform testing to the best of their ability to ensure that the product complies with the OATH defined Certification profiles. The organization also agrees that all features of product(s) specified in this Application that are used in the certification testing need to be commercially available. OATH agrees to permit the use of the OATH Certification logo to the organization.

The Applicant:

- 1) Agrees to use the OATH Certification logo in accordance with the applicable OATH Guidelines governing this application.
- 2) Agrees to discontinue the OATH Certification logo anytime OATH may so request, at the time the Applicant discontinues the product covered, or at the time of expiration, if not renewed.
- 3) Agrees that Oath disclaims any liability for any third party claim arising out of this Agreement or the subject matter hereof.
